

How to Work Hard

Swipe →

01

The reason some subjects seemed easy was that my school had low standards.

02

Of course, those famous adults usually had a lot of natural ability too.

03

Bill Gates, for example, was among the smartest people in business in his era, but he was also among the hardest working.

04

**He didn't learn what
math was really about
till part way through
college, when he read
Jordan's Cours
d'analyse.**

05

Once you know the shape of real work, you have to learn how many hours a day to spend on it.

06

**The only way to find the
limit is by crossing it.**
